DECISION NO. 1998-90

Respondent

## ORDER DISMISSING COMPLAINT

The Board, meeting at its offices in Concord, New Hampshire, on October 15, 1998, took the following actions:

- 1. It reviewed the unfair labor practice (ULP) filed by the County on July 10, 1998 and the answer filed by the Union on July 27, 1998
- 2. It also reviewed proceedings before the PELRB on September 10, 1998 when the parties appeared, both represented by counsel, to present their respective cases and during which time the County presented two witnesses and then sought a continuance for the convenience of the Superintendent of the Department of Corrections, its next and last witness.
- 3. It took notice that it had granted the County's requested continuance with the proviso that the parties meet at least two (2) times within the next thirty (30) days, i.e., before October 10, 1998, to engage in further settlement discussions and that the results of those discussions be reported

when successfully completed or at the conclusion of the thirty day period if not successfully completed within that time.

- 4. It examined its records and correspondence associated with this case and found no evidence that the parties had met the requisite two (2) times for settlement discussions or that any report of such two meetings, had been filed with the PELRB on or before October 10, 1998.
- 5. It directed that the case be DISMISSED, without prejudice.

So ordered.

Signed this 15th day of October, 1998.
